## ELECTION OF DIRECTORS

**Board Structure:** The number of directors currently constituting our entire Board is eight. We currently have seven members serving on our Board, with one vacant Class I position. The directors are divided into three classes. In general, directors in each class serve for a term of three years.

Mr. Arnette currently serves as one of our Class II directors with a term that expires at this year's annual stockholders meeting. Mr. Arnette has advised us that he does not intend to stand for re-election. Accordingly, our Board has fixed the number of directors constituting our entire Board at seven including one vacant Class I position, such change to take effect upon the election of the two Class II director positions at this year's annual stockholders meeting. As a result, only two Class II director positions are available and being elected at this year's annual meeting.

Under the terms of our Certificate of Incorporation, the holders of our Preferred Stock are entitled to elect two of the seven directors, one of whom is a Class I director and one of whom is a Class II director. Mr. Copses currently serves as the Class I director and Mr. Berg currently serves as the Class II director elected by the holders of our Preferred Stock. In addition, under the terms of our stockholders agreement between Apollo, Mr. Speese and us, Apollo is entitled to nominate a third person as a Class III director who is to be elected by all of our stockholders. ## BOARD INFORMATION

**Board Meetings:** During 2001, our Board of Directors met eight times, including regularly scheduled and special meetings. Each director attended all meetings of the Board during his service as a director, except that Messrs. **Board Committees:** Under our stockholders agreement, each committee of our Board is to consist of three directors, one of whom must be a director nominated by Apollo. Under our Certificate of Incorporation and our stockholders agreement, so long as our Preferred Stock is outstanding, one member of the Audit Committee, the Compensation Committee, the Finance Committee, and the Executive Committee, if one is created, must be a director who was elected by holders of our Preferred Stock, which also counts as Apollo's one designee on such committee.

The Audit Committee recommends the appointment of our independent auditors. It also approves audit reports and plans, accounting policies, audit fees and certain other expenses. The Audit Committee held three meetings in 2001. All members of the Audit Committee are "independent" as defined in the NASD listing standards. Under our Certificate of Incorporation and our stockholders agreement, a director elected by the holders of our Preferred Stock must be a member of the Audit Committee. The Board has adopted a written charter for the Audit Committee. The Audit Committee reviews and reassesses the adequacy of the written charter on an annual basis. Members: Mr. Copes, Chairman, and Messrs. Lentell and Berg.

The Compensation Committee manages executive officer compensation. It also administers our compensation and incentive plans, including our Long-Term Incentive Plan. The Compensation Committee evaluates the competitiveness of our compensation and the performance of our Chief Executive Officer. The Compensation Committee held one regular meeting in 2001 and acted by unanimous written consent six times during 2001. All members of the Compensation Committee are non-employee directors. Under our Certificate of Incorporation and our stockholders agreement, a director elected by the holders of our Preferred Stock must be a member of the Compensation Committee. Members: Mr. Lentell, Chairman, and Messrs. Berg and Copes.

The Finance Committee. Under our Certificate of Incorporation, the Finance Committee must approve the issuance of debt and equity securities, except in limited circumstances. In certain cases the approval must be unanimous. ## BOARD COMPENSATION

In 2002, non-employee directors will each receive \$3,500 for each Board meeting and \$1,000 for each Committee meeting attended and will be reimbursed for their expenses in attending such meetings. Messrs. Talley, Fadel and Arnette did not receive any compensation for their services as a director during 2001. Mr. Speese received such compensation prior to October 2001, during which time he served as only a director.

**Option Grants:** Non-employee directors receive options to purchase 9,000 shares of our Common Stock in their first year of service as a director and options to purchase 5,000 shares of our Common Stock on the first business day of each year thereafter. The exercise price of the options is the fair market value of our shares of our Common Stock on the grant date. These options vest and are exercisable immediately. Messrs. Talley, Fadel and Arnette were not granted any options for their services as a director during 2001. Mr. Speese received 9,000 options on January 1, 2001 because he was serving only as a director at that time.

## COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and approves the compensation levels for our members of senior management, evaluates the performance of senior management, considers management succession and considers any related matters for us. The Compensation Committee is charged with reviewing with our Board in detail all aspects of compensation for our executive officers.

Overall Philosophy and Objectives: We have developed a compensation program for executives and key employees designed to meet the following goals:

- . reward performance that increases the value of your stock;
- . attract, retain and motivate executives and key employees with competitive compensation opportunities;
- . build and encourage ownership of our shares;
- . balance short-term and long-term strategic goals; and
- . address the concerns of our stockholders, employees, the financial community and the general public.

To meet these objectives, we reviewed competitive compensation data and implemented the base salary and annual and long-term incentive programs discussed below.

Executive Compensation: The available forms of executive compensation include base salary, cash bonus awards and incentive stock options, restricted stock awards and stock appreciation rights. Our performance is a key consideration in determining executive compensation. However, our compensation policy recognizes that stock price performance is only one measure of performance and, given industry business conditions and our long-term strategic direction and goals, it may not necessarily be the best current measure of executive performance. Therefore, our compensation policy also gives consideration to the achievement of specified business objectives when determining executive officer compensation. The Compensation Committee, in certain cases, offers employees and executive officers equity compensation in addition to salary in keeping with our overall compensation philosophy, which attempts to place equity in the hands of our employees in an effort to further instill stockholder considerations and values in the actions of all the employees and executive officers.

Compensation paid to executive officers is based upon a company-wide salary structure consistent for each position relative to its authority and responsibility compared to industry peers. Stock option awards in fiscal year 2001 were used to reward certain officers and to retain them through the potential of capital gains and equity buildup in Rent-A-Center. The number of stock options granted is determined by the subjective evaluation of the officer's ability to influence our long term growth and profitability. Stock options granted to our senior management have been granted only pursuant to our Long-Term Incentive Plan. The Board believes the award of options represents an effective incentive to create value for the stockholders.

CEO Compensation: Mr. Talley, our former Chief Executive Officer, had a base salary for fiscal year 2001 of \$550,000. The Compensation Committee deemed this salary level for 2001 to be commensurate with the Chief Executive Officer's position at comparable publicly owned companies and in recognition of the increased responsibilities associated with our growth. In determining the compensation of Mr. Talley, the Compensation Committee considered Mr. Talley's performance, his compensation history and other subjective factors.

Upon Mr. Speese's appointment to the position of Chief Executive Officer in October 2001, the Compensation Committee established a base salary for him of \$550,000 per year. For the 2002 fiscal year, the Compensation Committee established a base salary for Mr. Speese of \$550,000. The Compensation Committee deemed this salary level for 2002 to be

commensurate with the Chief Executives Officer's position at comparable publicly owned companies and in recognition of the increased responsibilities associated with our growth. In determining Mr. Speese's salary, the Compensation Committee considered Mr. Speese's industry experience, past performance, and other subjective factors.

The Compensation Committee believes that the Chief Executive Officer's 2001 and 2002 compensation level is justified by Rent-A-Center's financial progress and performance against the goals set by the Compensation Committee.

Stock Options Granted in 2001: The following table lists our grants during 2001 of stock options to the named executive officers named in the Summary Compensation Table. The amounts shown as potential realizable values rely on arbitrarily assumed rates of share price appreciation prescribed by the SEC. In assessing those values, please note that the ultimate value of the options, as well as your shares, depends on actual future share values. Market conditions and the efforts of the directors, the officers and others to foster the future success of Rent-A-Center can influence those future share values.

/(1)/ These amounts represent certain assumed rates of appreciation only. Actual gains, if any, on stock option exercises are dependent on the future performance of our Common Stock and overall market conditions. There can be no assurance that the amounts reflected in this table will be achieved.

/(2)/ The exercise price was fixed at the date of the grant and represented the fair market value per share of Common Stock on such date.

/(3)/ Options are immediately exercisable on the date of the grant.

/(4)/ Options are exercisable as follows: 12.5% one year from the date of grant, an additional 12.5% two years from the date of grant, an additional 37.5% three years from the date of grant, and an additional 37.5% four years from the date of grant. Mr Speese has also agreed to a lock-up period of two years following the date of grant during which time he will not be permitted to exercise any of these options.

/(5)/ Options are exercisable at 25% per year, beginning one year from the date of grant. Additionally, the recipient of these options has agreed to a lock-up period of two years following the date of grant during which time he will not be permitted to exercise any of these options.

/(6)/ Options are exercisable at 25% per year, beginning one year from the date of grant. Mr. Kraemer is not subject to a lock-up period with respect to these options.

2001 Option Holdings: The following table contains the number of shares received, and the dollar value realized, upon the exercise of options by our named executive officers during 2001, as well as values for "in the money" options, meaning a positive spread between the year-end share price of \$33.57 and the exercise price for the options held by our named executive officers. These values have not been, and may never be, realized. The options might never be exercised, and the value, if any, will depend on the share price on the exercise date.

Pursuant to the stock purchase agreement we entered into with affiliates of Apollo Management IV, L.P., the affiliates of Apollo Management IV, L.P. have voting control of 100% of our Preferred Stock, which gives them the right to elect two individuals to our Board. In addition, pursuant to the amended and restated stockholders agreement we entered into with Apollo and Mr. Speese, Apollo has the right to nominate a third individual to our Board who is elected by all stockholders. Messrs. Berg and Copses currently serve as the two directors elected by the holders of our Preferred Stock and Mr. Jhawar serves as the director nominated by Apollo under the stockholders agreement.

Talley In connection with Mr. Talley's retirement, we entered into an agreement with Mr. Talley to Repurchase: repurchase \$25.0 million worth of shares of our Common Stock held by Mr. Talley at a purchase price equal to the average closing price of our Common Stock over the 10 trading days beginning October 9, 2001, subject to a maximum of \$27.00 per share and a minimum of \$20.00 per share. Under this formula, the purchase price for the repurchase was calculated at \$20.258 per share. ## OTHER BUSINESS

The Board does not intend to bring any business before the annual stockholders meeting other than the matters referred to in this notice and at this date has not been informed of any matters that may be presented to the annual stockholders meeting by others. If, however, any other matters properly come before the annual stockholders meeting, it is intended that the persons named in the accompanying proxy will vote pursuant to the proxy in accordance with their best judgment on such matters.

Representatives of Grant Thornton LLP, the Company's independent public accountants for the fiscal year ended December 31, 2001, will attend the annual stockholders meeting and be available to respond to appropriate questions which may be asked by stockholders. These representatives will also have an opportunity to make a statement at the meeting if they desire to do so.

## INDEPENDENT PUBLIC ACCOUNTANT INFORMATION

Grant Thornton LLP served as our independent accounting firm for the 2001 fiscal year. We paid the following fees to Grant Thornton for professional and other services rendered by them during fiscal 2001:

- . Audit Fees. The aggregate fees billed for professional services rendered by Grant Thornton for the audit of our financial statements for the 2001 fiscal year and the reviews of the financial statements included in our quarterly reports on Form 10-Q for the fiscal year were approximately \$250,000;
- . Financial Information Systems Design and Implementation Fees. The aggregate fees billed for information technology services rendered by Grant Thornton were 0; and
- . All Other Fees. The aggregate fees billed for all other services rendered by Grant Thornton to us during the 2001 fiscal year, exclusive of those services described above, were approximately \$200,000.

The Audit Committee of the Board has considered whether Grant Thornton's provision of services, other than services rendered in connection with the audit of our annual financial statements, is compatible with maintaining Grant Thornton's independence.

The Audit Committee of the Board has not appointed an independent public accounting firm for the 2002 fiscal year. The Board and the Audit Committee annually review the performance of our independent public accountants and the fees charged for their services. The Board anticipates, from time to time, obtaining competitive proposals from other independent public accounting firms for our annual audit. Based upon the Board and Audit Committee's analysis of this information, we will determine which independent public accounting firm to engage to perform our annual audit each year.

AUDIT COMMITTEE REPORT ON RENT-A-CENTER'S FINANCIAL STATEMENTS

The Committee: Our Board established the Audit Committee to recommend the appointment of our independent accountants and approve audit reports and plans, accounting policies, audit fees and certain other expenses. The Audit Committee is composed of three members, all of which are "independent" as defined in the NASD listing standards, and operates under a written charter, a copy of which was attached to last year's proxy statement relating to our 2001 Annual Meeting of Stockholders. The Audit Committee has prepared the following report on its activities with respect to our financial statements for the fiscal year ended December 31, 2001.

Review and Discussion: Management is responsible for Rent-A-Center's financial reporting process including its system of internal control, and for the preparation of Rent-A-Center's consolidated financial statements in accordance with generally accepted accounting principles. Grant Thornton is responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. The members of the Audit Committee are not employees of Rent-A-Center and do not represent themselves to be or to serve as, accountants or auditors by profession or experts in the field of accounting or auditing.

In connection with the preparation of our audited financial statements for the fiscal year ended December 31, 2001, the Audit Committee has

- . reviewed and discussed the audited financial statements with management;
- . discussed with Grant Thornton, the Company's independent accountants, the matters required to be discussed by Statement on Auditing Standards No. 61; and
- . received the written disclosures and the letter from Grant Thornton required by Independence Standards Board Standard No. 1, and has discussed with Grant Thornton its independence from Rent-A-Center.

Recommendation: Based on the review and discussion referred to above and relying thereon, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2001, for filing with the U.S. Securities and Exchange Commission.

VOTING PROCEDURES / REVOKING YOUR PROXY

**Quorum:** Because the holders of our Preferred Stock are entitled to elect one director as a separate class, there are different standards for determining if a quorum is present. For purposes of electing the director to be elected by the holders of our Preferred Stock, there must be a majority of the outstanding shares of our Preferred Stock on the Record Date, present in person or by proxy, at this year's annual stockholders meeting. For purposes of electing our other director, the holders of a majority of the votes entitled to vote at this year's annual stockholders meeting, including the votes entitled to vote held by the holders of our Preferred Stock, present in person or by proxy, will constitute a quorum. For all other purposes, the holders of the majority of the votes entitled to vote at this year's annual stockholders meeting, present in person or by proxy, will constitute a quorum.

**Votes Required to Approve a Proposal:** To be elected, directors must receive a plurality of the shares voting in person or by proxy, provided a quorum exists. A plurality means receiving the largest number of votes, regardless of whether that is a majority. All other matters submitted to you at the meeting will be decided by a majority of the votes cast on the matter, provided a quorum exists, except as otherwise provided by law or our Certificate of Incorporation or Bylaws.

**Shares Outstanding and Number of Votes:** On the Record Date, there were 24,130,487 shares of our Common Stock outstanding. Each share of Common Stock entitles the holder to one vote per share. On the Record Date, there were 292,434 shares of Preferred Stock outstanding. Each share of Preferred Stock entitles the holder to approximately 35.8 votes per share, or 10,468,373 votes in the aggregate.

**Abstentions and Broker Non-Votes:** Those who fail to return a proxy or attend the meeting will not count towards determining any required plurality, majority or quorum. Stockholders and brokers returning proxies or attending the meeting who abstain from voting on the election of our directors will count towards determining a quorum. However, such abstentions will have no effect on the outcome of the election of our directors.

Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. In the event that a broker does not receive voting instructions for these matters from its customers, a broker may notify us that it lacks voting authority to vote those shares. These "broker non-votes" refer to votes that could have been cast on the matter in question by brokers with respect to uninstructed shares if the brokers had received their customers' instructions. These broker non-votes will be included in determining whether a quorum exists, but will have no effect on the outcome of the election of our directors.

**How the Proxies Will be Voted:** The enclosed proxies will be voted in accordance with the instructions you place on the proxy card. Unless otherwise stated, all shares represented by your returned, signed proxy will be voted as noted on the first page of this proxy statement.

**How You May Revoke Your** You may revoke your proxies by:

- Proxies:**
- . Delivering a signed, written revocation letter, dated later than the proxy, to David M. Glasgow, Corporate Secretary, at 5700 Tennyson Parkway, Third Floor, Plano, Texas 75024;
  - . Delivering a signed proxy, dated later than the first one, to Mellon Investor Services LLC, 600 Willow Tree Road, Leonia, NJ 07605, Attn: Norma Cianfaglione; or
