## BOARD INFORMATION

**Board Meetings:** During 2003, our Board of Directors met twelve times, including regularly scheduled and special meetings. Each director attended all meetings of the Board during his or her service as a director, except that Mr. Jhawar was unable to attend one meeting after receiving or waiving proper notice, and Mr. Berg was unable to attend three meetings after receiving or waiving proper notice. All of our directors attended more than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of the Board committees on which they serve, except Mr. Berg. The Board also took action by unanimous written consent four times during 2003.

**Independent Directors:** The Board has determined that the following directors are “independent” as defined under Nasdaq rules: Peter P. Copses, Mary Elizabeth Burton, Laurence M. Berg, J.V. Lentell and Andrew S. Jhawar.

**Board Committees:** The standing committees of the Board during 2003 include the Audit Committee, the Compensation Committee and the Finance Committee. In March 2004, the Board established a Nominating Committee. Each of the Audit, Compensation and Nominating Committees has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by us.

Under our stockholders agreement, each committee of our Board must consist of three directors, one of whom must be a director designated for nomination by Apollo. Under our Certificate of Incorporation, so long as our Series C Preferred Stock is outstanding, one member of each of the Audit Committee, the Compensation Committee, the Finance Committee and the Executive Committee, if one is created, must be a director who was designated for nomination by Apollo.

**The Audit Committee** assists the Board in fulfilling its oversight responsibilities by reviewing (1) the financial reports and other financial information provided by us to any governmental body or the public, including our quarterly and annual financial statements, (2) our systems of controls regarding finance, accounting, legal compliance and ethics that management and the Board have established, (3) our independent auditor’s qualifications and independence, (4) the performance of our internal audit function and our independent auditors, and (5) the efficacy and efficiency of our auditing, accounting and financial reporting processes generally. The Audit Committee has the direct responsibility for the appointment, compensation, retention and oversight of our independent auditors, and reviews our internal audit department’s reports, responsibilities, budget and staffing. The Audit Committee also pre-approves all audit and non-audit services provided by our independent auditors and oversees compliance with our Code of Ethics. In connection with the rules adopted by the SEC and Nasdaq, the Board adopted a revised charter for the Audit Committee in May 2003, which is attached to this Proxy Statement as Appendix “A.” A copy of the Audit Committee Charter is also available on our website at [www.rentacenter.com](http://www.rentacenter.com). The Audit Committee reviews, updates and assesses the adequacy of the Audit Committee Charter on an annual basis.

The Board has determined that each of Messrs. Copses and Lentell and Ms. Burton is “independent” as defined by SEC and Nasdaq rules. In addition, the Board has determined that each of them is an “audit committee financial expert” as defined by SEC rules and meets the financial sophistication requirements of Nasdaq. The Audit Committee held eleven meetings in 2003. *Members: Mr. Copses, Chairman, Mr. Lentell and Ms. Burton.*

**The Compensation Committee** discharges the Board's responsibilities with respect to all forms of compensation of our Chief Executive Officer and other senior executives, administers our equity incentive plans, and produces the annual report on executive compensation set forth later in this proxy statement. The Compensation Committee held one regular meeting in 2003 and acted by unanimous written consent five times during 2003. All members of the Compensation Committee are non-employee directors and are "independent" under Nasdaq rules. The Board has adopted a charter for the Compensation Committee, which can be found at [www.rentacenter.com](http://www.rentacenter.com). *Members: Mr. Lentell, Chairman, and Messrs. Berg and Copses.*

**The Finance Committee.** Under our Certificate of Incorporation, the Finance Committee must approve the issuance of our debt and equity securities, except in limited circumstances. In certain cases the approval of the Finance Committee must be unanimous. The Finance Committee met six times during 2003. *Members: Messrs. Speese, Lentell and Copses.*

**The Nominating Committee** was formed by our Board in March 2004. Under our Bylaws, only persons who are nominated in accordance with the procedures set forth in our Bylaws are eligible for election as, and to serve as, members of our Board. Under our Bylaws, nominations of persons for election to our Board may be made at a meeting of our stockholders (a) by or at the direction of our Board or (b) by any stockholder, provided they comply with the provisions of Article I, Section 9 of our Bylaws. The Board has delegated the screening and recruitment process of proposed nominees to the Nominating Committee. The Nominating Committee selects individuals it believes are qualified to be members of the Board, and recommends those individuals to the Board for nomination for election or re-election as directors.

The Nominating Committee believes that the minimum requirements for a person to be qualified to be a member of the Board of Directors are that a person must be committed to equal opportunity employment, and must not be a director, consultant, employee of or to any competitor of ours (i.e., a company in the rent-to-own business). The Nominating Committee also believes that members of the Board should possess character, judgment, skills (such as an understanding of the retail and rent-to-own industries, business management, finance, accounting, marketing, operations and strategic planning), diversity, and experiences with businesses and other organizations of a comparable size and industry. The Nominating Committee evaluates whether certain individuals possess the foregoing qualities and recommends to the Board for nomination candidates for election or re-election as directors at the annual meeting of stockholders, or if applicable, at a special meeting of stockholders. This process is the same regardless of whether the nominee is recommended by a stockholder.

The Nominating Committee will consider candidates for nomination proposed by stockholders, so long as the stockholder provides notice and information on the proposed nominee to the Nominating Committee through the Secretary in accordance with the provisions of Article I, Section 9 of our Bylaws relating to direct stockholder nominations. For the Nominating Committee to consider candidates recommended by stockholders, Section I, Article 9 of our Bylaws requires that the stockholder provide notice to our Secretary (a) not less than 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders, or (b) with respect to an election to be held at a special meeting of stockholders for the election of directors, not later than the close of business on the tenth day following the day on which notice of the date of the special meeting was mailed to the stockholders. The notice to our Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected), and (b) as to the stockholder giving the notice (i) the name and address, as they appear on our books, of such stockholder and (ii) the class and number of shares of our voting stock which are beneficially owned by such stockholder.

The Board has determined that each member of the Nominating Committee is "independent" as defined by Nasdaq listing standards. The Nominating Committee was formed in March 2004 and thus did not meet in 2003. The Board has adopted a written charter for the Nominating Committee, which is available on our website at [www.rentacenter.com](http://www.rentacenter.com). *Members: Ms. Burton, Chairperson, Mr. Copses and Mr. Lentell.*

## BOARD COMPENSATION

- Retainer and Fees:** In 2003, non-employee directors each received an annual retainer of \$30,000, payable in four equal installments on the first day of each fiscal quarter. Additionally, non-employee directors each received \$2,000 for each Board meeting and \$1,000 for each Committee meeting attended in person and were reimbursed for their expenses in attending such meetings. Non-employee directors also each received \$500 for each telephonic Board or committee meeting attended. Messrs. The exercise price of the options is the fair market value of shares of our Common Stock on the grant date. These options vest and are exercisable immediately. Messrs. Speese and Fadel were not granted any options for their services as a director during 2003.

**CORPORATE GOVERNANCE**

**Board Code of Ethics:** Our Board has adopted a Code of Business Conduct and Ethics applicable to all of the members of the Board. The Board Code of Ethics provides guidance to our directors to help them recognize and deal with ethical issues and provides a mechanism to report unethical conduct. The Board Code of Business Conduct and Ethics is available on our website at [www.rentacenter.com](http://www.rentacenter.com).

**Stockholder Communications with the Board:** Our Board has established a process by which stockholders may communicate with our Board of Directors. Stockholders may contact the Board or any committee of the Board by any one of the following methods:

By telephone: 1-800-275-2696 Ext. 1140	By mail: Rent-A-Center, Inc. Attn: Compliance Officer 5700 Tennyson Parkway Third Floor Plano, Texas 75024	By e-mail: <a href="mailto:complianceofficer@racenter.com">complianceofficer@racenter.com</a>
--	---	--

All such communications submitted under this process will be compiled by our Compliance Officer and submitted to the Board or the requisite Board committee on a periodic basis. Complaints or concerns relating to our accounting, internal controls or auditing matters will be referred to the Audit Committee under the procedures adopted by the Audit Committee.

**Procedures for Reporting Accounting Concerns:** The Audit Committee has established procedures for (a) the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and (b) the submission by our employees, on a confidential and anonymous basis, of concerns regarding questionable accounting or auditing matters. These procedures are posted at [www.rentacenter.com](http://www.rentacenter.com).

**Policy of Director Attendance at the Annual Meeting of Stockholders:** Our Board has adopted a policy stating that each member of the Board should attend our annual meeting of stockholders. All of our directors attended the 2003 Annual Meeting of Stockholders.

**PROPOSAL TWO:**

**APPROVAL OF THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION**

**General:** Currently, our Certificate of Incorporation authorizes the issuance of 125,000,000 shares of Common Stock. In March 2004, our Board adopted a proposal to amend our Certificate of Incorporation to increase the number of shares of Common Stock that we are authorized to issue from 125,000,000 shares to 250,000,000 shares, subject to stockholder approval of the amendment. Our Board has declared the proposed amendment to be advisable and in the best interests of Rent-A-Center and the stockholders, and has submitted the proposed amendment to be voted on by the stockholders at the annual meeting. We urge you to vote “FOR” the approval of the amendment to our Certificate of Incorporation.

**Proposed Amendment:** On March 25, 2004, of the 125,000,000 authorized shares of Common Stock, a total of approximately 80,266,389 shares were outstanding and 21,292,591 shares were held as treasury stock. Additionally, approximately 11,051,152 shares were reserved for potential issuance in connection with our obligations to issue stock in connection with our Long-Term Incentive Plan and other outstanding options and in connection with the conversion of outstanding shares of Preferred Stock. Based upon these issued and reserved shares of Common Stock, we currently have approximately 12,389,868 shares remaining available for other purposes. We propose to amend our Certificate of Incorporation so that the first paragraph of the Fourth Article of our Certificate of Incorporation reads in its entirety as follows:

“**FOURTH:** The aggregate number of shares of capital stock which the corporation shall have authority to issue is 250,000,000 shares of common stock, having a par value of \$0.01 per share (the “**Common Stock**”), and 5,000,000 shares of preferred stock, having a par value of \$0.01 per share (the “**Preferred Stock**”).”

**Purpose and Effect of Proposed Amendment:** We believe that the availability of authorized but unissued shares will provide us with the flexibility to issue our Common Stock for a variety of corporate purposes, including but not limited to, acquisitions, declaring future stock splits and raising equity capital. We believe that we will benefit by having the additional shares available for such purposes without delay. We have no immediate plans, arrangements, commitments or understandings with respect to the issuance of any of the additional shares of Common Stock which would be authorized by the proposed amendment.

If the proposed amendment is approved by the stockholders, the additional shares generally will be available for issuance from time to time by the Board without further action by the stockholders. Stockholder approval of these issuances may be required by applicable law, regulatory agencies or our Series C Preferred Stock, but in most instances the Board will have the authority to issue or reserve for issuance additional shares of Common Stock without the approval of the stockholders.

In addition, our stockholders do not have preemptive rights with respect to our Common Stock. Thus, should the Board elect to issue additional shares of our Common Stock, existing stockholders would not have any preferential rights to purchase the shares. If the Board elects to issue additional shares of our Common Stock, the issuance could have a dilutive effect on the earnings per share, book value per share, voting power and interest of current stockholders.

The proposal could have an anti-takeover effect, although that is not our intention. For example, if we were the subject of a hostile takeover attempt, we could try to impede the takeover by issuing shares of our Common Stock, which would dilute the voting power of the other outstanding shares and increase the potential cost of the takeover. The availability of this defensive strategy could discourage unsolicited takeover attempts, which would limit the opportunity for stockholders to realize a higher price for their shares than is generally available in the public markets. We are not aware of any attempt, or contemplated attempt, to acquire control of Rent-A-Center, and this proposal is not being presented with the intent that it be used as a type of anti-takeover device.

If the proposed amendment is adopted, it will become effective upon the filing of a certificate of amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware. However, even if the stockholders approve the proposed amendment to our Certificate of Incorporation, the Board retains discretion under Delaware law not to implement the proposed amendment. If the Board were to exercise such discretion, the number of shares of Common Stock authorized for issuance would remain at 125,000,000 shares.

**WE RECOMMEND THAT YOU VOTE “FOR” APPROVAL OF THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION**

## COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

**The Committee:** The Compensation Committee reviews and approves the compensation levels for our senior executives, evaluates the performance of our senior executives, administers our equity incentive plans and considers any related matters for us.

**Overall Philosophy and Objectives:** We have developed a compensation program for our senior executives designed to meet the following goals:

- Reward performance that increases the value of your stock;
- Attract, retain and motivate senior executives with competitive compensation opportunities;
- Build and encourage ownership of our shares;
- Balance short-term and long-term strategic goals; and
- Address the concerns of our stockholders, employees, the financial community and the general public.

To meet these objectives, we review competitive compensation data and adjust the base salary and annual and long-term incentive programs as discussed below.

**Executive Compensation:** Our performance is a key consideration in determining senior executive compensation. However, our compensation policy recognizes that stock price performance is only one measure of performance and, given industry business conditions and our long-term strategic direction and goals, it may not necessarily be the best current measure of senior executive performance. Therefore, our compensation policy also gives consideration to the achievement of specified business objectives when determining senior executive compensation. The Compensation Committee, in certain cases, offers employees and senior executives equity compensation in addition to salary in keeping with our overall compensation philosophy, which attempts to place equity in the hands of our employees in an effort to further instill stockholder considerations and values in the actions of all our employees and executive officers. The available forms of senior executive compensation include base salary, cash bonus awards and incentive stock options, restricted stock awards and stock appreciation rights.

Compensation paid to senior executives is based upon a company-wide salary structure consistent for each position relative to its authority and responsibility compared to industry peers. Stock option awards in fiscal year 2003 were used to reward certain senior executives and to retain them through the potential of capital gains and equity buildup in Rent-A-Center. The number of stock options granted is determined by the subjective evaluation of the senior executive's ability to influence our long-term growth and profitability. Stock options granted to our senior executives have been granted only pursuant to our Long-Term Incentive Plan. The Compensation Committee believes the award of options represents an effective incentive to create value for our stockholders.

**CEO Compensation:** The Compensation Committee established a base salary for Mr. Speese of \$600,000 for 2003. The Compensation Committee also awarded Mr. Speese a bonus of \$220,000 for services rendered in 2003. For the 2004 fiscal year, the Compensation Committee established a base salary for Mr. Speese of \$650,000. The Compensation Committee deemed the 2003 bonus and the salary level for 2004 to be commensurate with the Chief Executive Officer's position at comparable publicly owned companies and in recognition of the increased responsibilities associated with our growth. In determining Mr. Speese's salary and bonus, the Compensation Committee considered Mr. Speese's industry experience, past performance and other subjective factors.

The Compensation Committee believes that the Chief Executive Officer's 2003 and 2004 compensation levels were and are justified by Rent-A-Center's financial progress and performance.

**Stock Options Granted in 2003:** The following table lists our grants during 2003 of stock options to the executive officers named in the Summary Compensation Table. The amount shown as potential realizable values rely on arbitrarily assumed rates of share price appreciation prescribed by the SEC. In assessing those values, please note that the ultimate value of the options, as well as the shares, depends on actual future share values. Market conditions and the efforts of our directors, senior executives and others to foster the future success of Rent-A-Center can influence those future share values.

(1) These amounts represent certain assumed rates of appreciation only. Actual gains, if any, on stock option exercises are dependent on the future performance of our Common Stock and overall market conditions. There can be no assurance that the amounts reflected in this table will be achieved.

(2) The exercise price was fixed at the date of the grant and represented the fair value per share of Common Stock on such date.

**2003 Option Holdings:** The following table contains the number of shares received and the dollar value realized upon the exercise of options by our named executive officers during 2003, as well as values for “in the money” options, meaning a positive spread between the year-end share price of \$30.00 and the exercise price for the options held by our named executive officers. These values have not been, and might never be, realized. The options might never be exercised, and the value, if any, will depend on the share price on the exercise date.

**Intrust Bank:** J.V. Lentell, one of our directors, serves as Vice Chairman of the Board of Directors of Intrust Bank, N.A., one of our lenders. Intrust Bank, N.A. is a \$12.0 million participant in our senior credit facility. We also maintain a \$10.0 million revolving line of credit with Intrust Bank, N.A. Although from time to time we may draw funds from the revolving line of credit, no funds were advanced as of March 25, 2004. In addition, Intrust Bank, N.A. serves as trustee of our 401(k) plan. During 2003, we paid Intrust a total of \$181,000 in fees in connection with banking services provided by them. In addition, Intrust received approximately \$505,000 in compensation for services provided as trustee and administrator of our 401(k) plan.

**Apollo Management IV, L.P.:** On August 5, 1998, affiliates of Apollo Management IV, L.P. purchased \$250 million of our Preferred Stock. Apollo had voting control of 100% of our Preferred Stock, which gave them the right to elect two individuals to our Board. In addition, pursuant to the stockholders agreement we entered into with Apollo and Mr. Speese, Apollo had the right to designate a third individual for nomination as a director who was to be elected by all of our stockholders. Messrs. Berg and Copses currently serve as the two directors previously elected by the holders of our Preferred Stock and Mr. Jhawar serves as the director previously designated by Apollo under the stockholders agreement. Under the terms of the stockholders agreement, Apollo now has the right to designate two individuals for nomination as directors who are to be elected by our stockholders.

In connection with the issuance of our Preferred Stock, we entered into a registration rights agreement with Apollo, which, among other things, granted them two rights to request that their shares be registered. Apollo currently holds two rights to demand registration of their shares under this agreement.

**Repurchase of Shares:** On April 25, 2003, we announced that we had entered into an agreement with Apollo which provided for the repurchase of the number of shares of our Common Stock sufficient to reduce Apollo's aggregate record ownership to 19.00% after consummation of a planned tender offer at the price per share paid in the tender offer. On July 11, 2003, we closed this transaction by purchasing 774,547 shares of our Common Stock from Apollo (on a pre-split basis) at \$73 per share (on a pre-split basis) for approximately \$56.5 million.

On August 1, 2003, we agreed to purchase an additional 440,000 shares of our Common Stock (on a pre-split basis) at \$73 per share (on a pre-split basis), 200,000 of which were repurchased from Mark E. Speese, our Chairman of the Board and Chief Executive Officer, 200,000 of which were repurchased from Apollo Investment Fund IV, L.P. and Apollo Overseas Partners IV, L.P., and 40,000 of which were repurchased from Mitchell E. Fadel, our President and Chief Operating Officer.

**Texas Capital Bank:** ColorTyme is a party to an agreement with Wells Fargo Foothill, Inc., who provides \$50.0 million in aggregate financing to qualifying franchisees of ColorTyme. Under this agreement, the occurrence of certain events may result in ColorTyme succeeding to the rights of Wells Fargo Foothill under the debt agreements. An additional \$15.0 million of financing is provided by Texas Capital Bank, National Association under an arrangement similar to the Wells Fargo Foothill financing. Mr. Speese is a passive investor in Texas Capital Bank, owning less than 1% of its outstanding equity. We guarantee the obligations of ColorTyme under these agreements up to a maximum amount of \$65.0 million, of which \$28.5 million was outstanding at March 25, 2004.

**Committee Interlocks:** None of our executive officers served as a member of the compensation or similar committee or as a member of the Board of Directors of any other entity of which an executive officer served on the Compensation Committee or Board of Directors of Rent-A-Center.

## OTHER BUSINESS

The Audit Committee reviews and pre-approves both audit and all permissible non-audit services provided by our independent auditors, and accordingly, in 2003 all services provided by and all fees paid to Grant Thornton were pre-approved by the Audit Committee. The Audit Committee of the Board has considered whether Grant Thornton's provision of services, other than services rendered in connection with the audit of our annual financial statements, is compatible with maintaining Grant Thornton's independence.

Representatives of Grant Thornton LLP, the Company's independent certified public accountants for the fiscal year ended December 31, 2003, will attend the annual stockholders meeting and be available to respond to appropriate questions which may be asked by stockholders. These representatives will also have an opportunity to make a statement at the meeting if they desire to do so.

The Audit Committee of the Board has not appointed an independent public accounting firm for the 2004 fiscal year. The Audit Committee annually reviews the performance of our independent public accountants and the fees charged for their services. The Audit Committee anticipates, from time to time, obtaining competitive proposals from other independent public accounting firms for our annual audit. Based upon the Audit Committee's analysis of this information, we will determine which independent public accounting firm to engage to perform our annual audit each year.

## AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its oversight responsibilities by, among other things, reviewing the financial reports and other financial information provided by the Company to any governmental body or the public.

The Audit Committee reviewed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2003 with management and the independent auditors. In discharging its responsibilities, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independent Standards Board Standard No. 1, discussed with the independent auditors any relationships that may impact their objectivity and independence, and satisfied itself as to the auditors' independence. The Audit Committee also discussed with management, the internal auditors and the independent auditors the integrity of the Company's financial reporting processes, including the Company's internal accounting systems and controls, and reviewed with management and the independent auditors the Company's significant accounting principles and financial reporting issues, including judgments made in connection with the preparation of the Company's financial statements. The Audit Committee also reviewed with the independent auditors their audit plans, audit scope and identification of audit risks.

The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, and with and without management present, discussed and reviewed the results of the independent auditors' examination of the consolidated financial statements of the Company.

Management is responsible for the Company's financial reporting process, including its system of internal control, and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. The independent auditor is responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. The members of the Audit Committee are not employees of the Company, and, although our Board has determined each member of the Audit Committee is an "audit committee financial expert" as defined by SEC rules, none of the members of the Audit Committee represent themselves to be, or to serve as, accountants or auditors by profession or experts in the field of accounting or auditing.

Based upon the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December, 31, 2003, for filing with the Securities and Exchange Commission.

## SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on a review of reports filed by our directors, executive officers and beneficial holders of 10% or more of our shares of Common Stock, and upon representations from those persons, we believe that all SEC stock ownership reports required to be filed by those reporting persons during 2003 were timely made, except Anthony M. ## VOTING PROCEDURES/ REVOKING YOUR PROXY

<b>Quorum:</b>	For purposes of electing our directors, approving the proposed amendment to our Certificate of Incorporation and for all other purposes, the holders of a majority of the votes entitled to vote at this year's annual stockholders meeting, including the votes entitled to vote held by the holders of our Preferred Stock, present in person or by proxy, will constitute a quorum.
<b>Votes Required to Approve a Proposal:</b>	To be elected, directors must receive a plurality of the shares voting in person or by proxy, provided a quorum exists. A plurality means receiving the largest number of votes, regardless of whether that is a majority. To approve the amendment to our Certificate of Incorporation, a majority of the outstanding stock entitled to vote must vote in favor of such amendment, provided a quorum exists. All other matters submitted to you at the meeting will be decided by a majority of the votes cast on the matter, provided a quorum exists, except as otherwise provided by law or our Certificate of Incorporation or Bylaws.
<b>Shares Outstanding and Number of Votes:</b>	On the Record Date, there were 80,266,389 shares of our Common Stock outstanding. Each share of Common Stock entitles the holder to one vote per share. On the Record Date, there were two shares of Preferred Stock outstanding. The holders of our Preferred Stock were entitled to convert their two shares of Preferred Stock into 180 shares of our Common Stock, and thus are entitled to 180 votes.
<b>Abstentions and Broker Non-Votes:</b>	<p>Those who fail to return a proxy or attend the meeting will not count towards determining any required plurality, majority or quorum. Stockholders and brokers returning proxies or attending the meeting who abstain from voting on the election of our directors will count towards determining a quorum. However, such abstentions will have no effect on the outcome of the election of our directors.</p> <p>Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. In the event that a broker does not receive voting instructions for these matters from its customers, a broker may notify us that it lacks voting authority to vote those shares. These "broker non-votes" refer to votes that could have been cast on the matter in question by brokers with respect to uninstructed shares if the brokers had received their customers' instructions. These broker non-votes will be included in determining whether a quorum exists, but will have no effect on the outcome of the election of our directors.</p>
<b>How the Proxies Will be Voted:</b>	The enclosed proxies will be voted in accordance with the instructions you place on the proxy card. Unless otherwise stated, all shares represented by your returned, signed proxy will be voted as noted on the first page of this proxy statement.
<b>How You May Revoke Your Proxy:</b>	<p>You may revoke your proxy by:</p> <ul style="list-style-type: none"><li>• Delivering a signed, written revocation letter, dated later than the proxy, to David M. Glasgow, Corporate Secretary, at 5700 Tennyson Parkway, Third Floor, Plano, Texas 75024;</li><li>• Delivering a signed proxy, dated later than the first one, to Mellon Investor Services LLC, 600 Willow Tree Road, Leonia, NJ 07605, Attn: Norma Cianfaglione; or</li><li>• Attending the meeting and voting in person or by proxy. Attending the meeting alone will not revoke your proxy.</li></ul>
<b>Proxy Solicitation:</b>	Our employees will solicit proxies for no additional compensation. We will reimburse banks, brokers, custodians, nominees and fiduciaries for reasonable expenses they incur in sending these proxy materials to you if you are a beneficial holder of our shares.

**AUDIT COMMITTEE**  
**OF**  
**RENT-A-CENTER, INC.**

**PURPOSE**

The primary function of the Audit Committee (the “*Committee*”) is to assist the Board of Directors (the “*Board*”) of Rent-A-Center, Inc. (the “*Company*”) in fulfilling its oversight responsibilities by reviewing (i) the financial reports and other financial information provided by the Company to any governmental body or the public; (ii) the Company’s systems of controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; (iii) the independent auditors’ qualifications and independence; (iv) the performance of the Company’s internal audit function and independent auditors; and (v) the efficacy and efficiency of the Company’s auditing, accounting and financial reporting processes generally. The Committee’s primary duties and responsibilities are to:

- serve as an independent and objective party to oversee the Company’s financial reporting process and internal control system;
- assume direct responsibility for the appointment, compensation, retention and oversight of the Company’s independent auditors; and
- provide an open avenue of communication among the Company’s independent auditors, financial and senior management and the Board.

The Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in the Section entitled “*Responsibilities and Duties.*”

The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide appropriate funding, as determined by the Committee, in its capacity as a committee of the Board, for payment of compensation to any advisors engaged or employed by the Committee as well as for ordinary administration expenses of the Committee that are necessary or appropriate for carrying out its duties.

**COMPOSITION OF THE AUDIT COMMITTEE**

(including, without limitation, the financial literacy requirements), Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), and the rules and regulations of the Securities and Exchange Commission (the “*Commission*”). Accordingly, none of the members of the Committee shall accept, directly or indirectly, any fees from the Company, except for fees for services as a director and member of the Committee or any other Board committee. In addition, at least one member of the Committee shall be, in the sole determination of the Board, a “financial expert” in compliance with the criteria established by Commission and other relevant regulations.

No member of the Committee may serve on the audit committee of more than two other public companies.

10. Hold timely discussions with the independent auditors regarding:

    - any steps taken to deal with any such issues.
  13. Evaluate the qualifications, performance and independence of the Company's independent auditors, including considering whether the auditors' quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditors' independence. The Committee shall obtain from the Company's independent auditors a formal written statement delineating all relationships between the Company's independent auditors and the Company, consistent with Independence Standards Board Standard 1, and engage in a dialogue with the Company's independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the Company's independent auditors.
  14. Review and evaluate the performance of the lead partner of the Company's independent auditor team and ensure the rotation of the audit engagement team as required by law or such shorter period as may be determined by the Committee.
